Dear Parents, Carer's, Leaders, Old boys and friends of the Group.

We are all going through difficult times and none more so than some of our local businesses. I want to draw your attention to some of these that over the years have given Scouts, Guides and particularly 2<sup>nd</sup> Beeston Sea Scouts very valued support.

I will list below the businesses that have sponsored events but until they open up again there is not much we can do but please if you can and they do open, try to use them in the future.

The reason for deciding to send this communication is there is a business we can support now and that is Nottingham Brewery who over the years have been exceptionally good to the Group and find themselves in very difficult times. To survive they have furloughed all their employees which means the ageing directors are doing all the work to try and save the business. They don't fall into the government aid schemes for financial help, however they are doing what they can to keep going.

They have a fine selection of boxed real ale beers which they will deliver free to local Nottingham post codes. <https://www.thenottinghambrewery.co.uk/> If you enjoy a pint of real ale and we can't go to the pub I recommend this. If enough people support Nottingham Brewery they will stay in business and be there for us again in the future. I would like to think it is our turn to give something back while having a nice time. If you like this idea please spread it on social media.
